Located in the Presidio of San Francisco, The Bay School is an independent, college-preparatory high school committed to equity and belonging within Bay and beyond. The school seeks to provide its students with a challenging, innovative curriculum and a collaborative, supportive community. Our staff and faculty members (“staffulty”) foster and model curiosity, critical thinking, intentionality, open dialogue, and good humor. Bay students have been described as engaged and thoughtful self-advocates who value community and courage. Please visit our precepts and academics pages to learn more about our school.

The Bay School considers all qualified applicants for employment and does not discriminate on the basis of race, color, religion, identity, national origin, ancestry, age, sexual orientation, gender identity, and gender expression (SOGIE), ability or any other characteristic protected by law. We are committed to having a staffulty and student body that reflect the diversity of the Bay Area. We strongly encourage those with a demonstrated dedication to social justice, collaboration, innovation and student-centered education to apply. We encourage BIPOC candidates to apply.

The Bay School does not participate in the USCIS E-Verify program, and we do not sponsor work visas.

Job Description

We are seeking a part-time teacher with content specific expertise in drawing and painting, with the ability to teach a range of 2D media and foundational art practices. Responsibilities include developing engaging curriculum, guiding students through creative processes, and fostering a classroom environment that values experimentation, technical skill, and personal expression. Candidates should

demonstrate a strong studio practice, and a passion for teaching adolescents. The candidate will teach three semester courses.

Each semester-long class meets three times a week in a [rotating block schedule](#). Bay's block schedule allows students to delve deeply into problem- and inquiry-based learning across all courses. Bay teachers have a strong commitment to innovative curricular design, collaboration, progressive pedagogy, and social justice--all in service of student learning and growth.
